

Powerful, compact and smart in A3 format

P-3241i MFP

Small, smart, powerful: the P-3241i MFP multifunctional system is your perfect introduction to the A3 class. Printing, scanning, copying or faxing? No problem! A new engine ensures outstanding print quality at up to 32 pages per minute in black. The 7-inch-touch display can be tilted to any angle and is as easy to use as your smartphone. Cloud integration, 2 GB of memory for fast scan and print data processing, and the Data Security Kit* are included as standard.

HIGHLIGHTS:

Smart features: The P-3241i MFP is equipped with features that make your life easier, such as improved readability of scans and copies thanks to the recoloring faded text function, or setting up two separate networks via an additional LAN or WLAN card. A pre-installed HyPAS application supports cloud connectivity, and storage space can be upgraded with an optional hard drive. For a higher paper supply, the standard paper capacity can be increased from 500 to up to 1,500 sheets. These features make it a truly multifunctional system.

Perfect data capture: When capturing documents, there are some features you won't want to do without. 'ID Scan' straightens ID cards placed at an angle on the platen glass. Image Defect Prevention detects folded corners or originals partially covered by post-it notes and alerts the user to incomplete scans. 'Document Guard' identifies protected documents and likewise reports incomplete scans. The optional Scan Extension Kit (A)* adds further capability, including searchable PDFs via OCR.

Intelligent: The P-2540i MFP offers a range of useful features that you will never want to do without again. These include the skip blank pages function and the ID card copy and ID card scan feature which allows you to print both sides of a small-format original document on a single page and save paper in the process. The system also provides transparent environmental management and keeps you up to date on consumption and CO2 emissions.

Security first: The new system protects your documents with many features that effectively prevent access by third parties. Whether with the latest encryption for data transfers in the network TLS 1.3, or the protection of your firmware by Secure Boot during the start-up process, or by the Run Time Integrity Check during operation; your data is secure. If an optional hard drive is installed, the data on it is protected with the Data Security Kit* through hard drive encryption and data overwriting.

* with optional SSD

P-3241i MFP
Digital multifunctional system
Copying / Printing / Scanning / Faxing
A3

Technical Data: P-3241i MFP

GENERAL

Type	Desktop
Function	Copy, print, scan, optional: fax
Print technology	Laser b/w
Original format	max A3 from platen glass
Original feeder	50 sheet A4 (standard), min 140 x 182 mm, max 297 x 432 mm, 45-160 g/m ² (simplex), 50-120 g/m ² (duplex)
Copy/print speed	max 32 A4 pages/min and max 17 A3 pages/min
1st page (copy/print)	5.2 seconds ¹
Warm-up time	21.5 seconds
Copy resolution	600 x 600 dpi
Greyscales	256
Paper feed	1 x 500 sheet universal cassette (A5R-A3), 100 sheet multi-bypass (A6R-A3)
Paper weights	Universal cassette 60-163 g/m ² , multi-bypass 45-256 g/m ² , duplex 60-163 g/m ²
Paper output	250 sheet A4
Job separator	50 sheet A4 (standard)
System memory	2 GB RAM (max 2 GB RAM), 64 GB / 256 GB / 512 GB SSD ²
Continuous copying	1-999 copies
Zoom	25 % - 400 % in steps of 1 %
Functions	Adjustable touch screen (7.0 inch), duplex, direct printing from/scanning to USB stick, job reservation, 100 management codes, skip blank pages, encryption/overwriting of hard disk data (Data Security Kit) in combination with optional SSD memory, trusted platform module (TPM), secure boot und runtime integrity check, simple certificate enrollment protocol (SCEP), TLS 1.3, OCSP, CRL, S/MIME, SIEM-Support, Allowlisting, fax server connectivity etc.

DIMENSIONS/WEIGHT

Dimensions	590 x 585 x 688 mm (H x W x D)
Weight	approx. 49 kg

ENVIRONMENT

Mains voltage	220/240 V, 50 Hz
Power consumption	Approx. 1,370 W max, approx. 490 W in operation, approx. 70 W in stand-by mode, approx. 0.3 W in sleep mode, TEC value: 0.39 KWh/week (determined in accordance with ENERGY STAR 3.2)

Noise level	Approx. 48.0 dB(A) in operation, stand-by mode: not measurable (ISO 7779/9296)
--------------------	--

Safety	GS/TÜV, CE
---------------	------------

PRINT SYSTEM

Type	Integrated within the system
Print format	A6R-A3
Print resolution	1,200 x 1,200 dpi
Processor	ARM Cortex-A53 Dual Core/1.4 GHz
Interfaces	USB 2.0, 10/100/1000BaseTX, USB host (2), NFC, Wi-Fi ²
Network protocols	TCP/IP, FTP, LPR, Port9100, NetBEUI, Apple Bonjour
Operating systems	Windows 8/8.1/10/11, Server 2012/2012, R2/2016/2019/2022/2025, Linux, Chrome OS, Mac ex OS 10.14
Emulations	PCL6 (PCL 5c, XL), KPDL 3 (PostScript 3 compatible), PRESCRIBE IIe, PDF 1.7, XPS
Functions	USB direct printing, PDF/XPS direct printing, super resolution imaging (only KX driver), SNMPv3, printing of e-mails, private printing, EcoPrint, barcode printing, Mobile Print (Android/iOS)/Apple AirPrint, Mopria, NFC, Wi-Fi Direct ²

SCAN SYSTEM

Scan type	CIS colour and b/w
Scan format	max DIN A3
Scan speed	b/w: max 50/16 A4 originals/min (simplex/duplex) with 300 dpi, colour: max 50/16 A4 originals/min (simplex/duplex) with 300 dpi
Scan resolution	200 dpi, 300 dpi, 400 dpi, 600 dpi, 1200 dpi x 1200 dpi (only with TWAIN Driver, WIA Driver)
Scan mode	Photo, text, photo/text, optimised for OCR
File types	TIFF, PDF, XPS, OpenXPS, high compression PDF, JPEG
Interfaces	10/100/1000BaseTX, USB 2.0
Network protocol	TCP/IP
Operating systems	Windows 8/8.1/10/11, Server 2012/2012, R2/2016/2019/2022/2025
Functions	Scan to SMB, scan to e-mail, scan to FTP, scan to USB, TWAIN scan, WIA scan, SMTP authentication, LDAP, multi crop scan, handwriting enhancement, document guard, cloud capture functionality, image defect prevention, ID-scan

OPTIONAL FAX SYSTEM 13

Compatibility	Super G3
Original format	max A3
Modem speed	33.6 kbps
Transmission speed	3 seconds or less using JBIG
Compression method	JBIG, MMR, MR, MH
Fax resolution	Standard (200 x 100 dpi), fine (200 x 200 dpi), super fine (200 x 400 dpi), ultra fine (400 x 400 dpi)
Fax memory	12 MB image memory
Abbreviated dial	300 numbers
One touch dial	100 numbers
Group dial	50 numbers
Operating systems	Windows 8/8.1/10/11, Server 2012/2012, R2/2016/2019/2022/2025
Functions	Network fax driver, automatic redialling, delayed transmission

OPTIONS

Paper feed	PF-470 (max 1 x 500 sheet universal cassette (A5R-A3)), PF-471 (max 2 x 500 sheet universal cassettes (A5R-A3))
Other options	Scan Extension Kit (A) ³ , Card Authentication Kit (B), UG-33 ThinPrint® kit, IB-53 Gigabit Ethernet card, IB-54 WLAN card (IEEE802.11/b/g/n, Wi-Fi direct, WPA3) or IB-55 WLAN card ⁵ (IEEE 802.11 b/g/n Wi-Fi direct), IB-37 WLAN card (IEEE802.11a/b/g/n/ ac, Wi-Fi direct) or IB-38 WLAN card ⁴ (IEEE 802.11 b/g/n Wi-Fi direct), HD-17 SSD (64 GB), HD-18 SSD (256 GB), HD-19 SSD (512 GB), cabinet no. 62

¹ Depending on operating status

² optional

³ additional SD oder SSD-memory required

⁴ For activation optional SSD-memory required

⁵ IB-55/IB-38 is only available for selected countries

outside the EU that do not support the IB-54/IB-37

Specifications subject to change without notice.

To enable HyPAS functionality additional memory is required.

HyPAS™

- low energy consumption
- low emissions and noise
- durable

About UTAX: UTAX is a registered trademark of the TA Triumph-Adler GmbH. The Hamburg-based company specialises in the sale of high-quality printing and copying systems. The broad product portfolio includes hardware as well as software applications. In addition to copying, printing and multifunctional systems (MFP) for the office workplace, UTAX supplies customised IT solutions and services as well as comprehensive consulting for efficient document processes in companies. In Germany, the UTAX brand is distributed through a network of over 200 authorised dealers. Internationally, the company operates in over 40 countries in the EMEA region.
